Sir:

**RESPONSE TO NOTIFICATION OF MISSING REQUIREMENTS UNDER 35 U.S.C.
371 IN THE UNITED STATES DESIGNATED/ELECTED OFFICE (DO/EO/US)**

This document is submitted in response to the NOTIFICATION OF MISSING REQUIREMENTS, dated 20 May 2005.

Transmitted herewith is the duly executed Declaration for Patent Application, Power of Attorney, and Statement Under 37 CFR 3.73(b), together with the required fee.

The Notification requires "a copy of the "Sequence Listing" in computer readable form."

There is no such listing and there is no reference in the application to a "sequence listing." This is a national phase application from an International application (PCT). No sequence listing was part of the International application and none exists. It is requested that the requirement for a "Sequence Listing" be withdrawn.

The Notification also states: "additionally the following defects have been observed: annexes have not been entered... new claims have been added by preliminary amendment." A telephone conference on 24 June 2005 with Ms. Barbara A. Campbell revealed that where there were amended claims in the International phase and they are all cancelled by preliminary amendment, they are irrelevant and need not be submitted or entered. Accordingly, it is requested that the note of a "defect" be withdrawn.

The Commissioner is hereby authorized to charge any fees that arise in connection with this filing which are not covered by the money enclosed, or credit any overpayment, to Deposit Account No. 02-0460.

Respectfully submitted,

SIMON MICHAEL CUTTING
